DE/JNTUH/Credit-Detention rules/A.Y.2017-18, Date:30-07-2017

To

The Principals of JNTUH Affiliated Colleges offering B.Tech/B.Pharmacy Courses

Dear Sir/Madam,

Sub: Detention rules-certain modifications-Reg.

Ref: Recommendations of Standing Council of Academic Senate dated 29-07-2017

As per R15 regulations of lateral entry students, who joined in II year B.Tech./B.Pharm during the academic year 2015-16, have to secure 17 credits out of 28 credits, i.e., 60% of total credits of II year – I semester. As 60% of 28 is equal to 16.8 and instead of rounding, it is resolved to truncate the fractional part of the number. As a result of it, for the promotion from II year to III year of lateral entry students, minimum credits required would be 16 out of 28 credits.

It is also resolved to consider the performance of even semester exams and all examinations conducted during May/June 2017 for promotion from II year to III year and III year to IV year of both B.Tech. and B.Pharm. courses. This rule is applicable for the current academic year only.

Further it is resolved that the credits secured for the subject ‘Gender Sensitization’ in second year of both B.Tech. and B.Pharm. courses shall be considered for counting the credits for promotion. However, the credits secured by the student for the Gender Sensitization subject shall not be considered for the calculation of total credits required for the award of degree as per the regulations.

The revised lists of detentions will be placed in the college portals shortly.

The Principals are instructed to conduct remedial classes and mock tests to the detained students and conduct parents’ meetings to create awareness about the detention system. The principals are also instructed to counsel the students and take all measures for smooth running of class work without any disturbance.

Your cooperation is highly solicited. Thanking you.

Yours Sincerely

Sd/-
